## **THE PROSPERITY CONSULTING GROUP COMES UP WITH CLEVER ALTERNATIVE FOR THE ANNUAL CLIENT HOLIDAY GIFT: A DONATION TO CASEY CARES**

Every year companies wonder what new and creative gift they can provide their clients during the holiday season. This year, The Prosperity Consulting Group, LLC, based in Owings Mills, Maryland, came up with this idea: the best gift is a charitable donation.

The Prosperity Consulting Group decided to send each of its clients a specially made postcard notifying them that a donation had been made in their honor to the Casey Cares Foundation, a non-profit organization which provides uplifting programs for critically ill children and their families throughout the year.

“Since my initial involvement with The Casey Cares Foundation, I have seen this organization provide smiles to not only hundreds of critically ill children, but also their families,” said Lauren Rebbel, CFP®, a Partner at The Prosperity Consulting Group. “When childhood illness effects a child and their family, the Casey Cares foundation supports the whole family in a compassionate and uplifting way. Our firm is grateful for the opportunity to provide these families with uplifting memories this holiday season.”

“As a firm, The Prosperity Consulting Group has made a dedicated commitment to give back to our community,” added Donald N. Hoffman, MS, CPA and President of The Prosperity Consulting Group. “The Casey Cares Foundation’s mission to help families with critically ill children works in harmony with our mission to help families achieve their goals. We are delighted to contribute to the Casey Cares Foundation this holiday season.”

Casey Baynes, the founder and executive director of the Casey Cares Foundation, was thrilled to see a company find a creative way to donate and help fund programming.

“We have never had to turn away a family for financial reasons, and one reason why we have been able to do that is because we have such generous companies like The Prosperity Consulting Group which support us and our families,” Baynes said. “We are delighted to have a company give back to the community in such a positive way.”
